WHAT WILL YOU LEARN?

- Core content is delivered through the areas of Performance, Choreography, and Critical Engagement.
- Students will understand performance skills required for dance, and also develop group choreography linked to a specific practitioner. The learning of one compulsory set work and one optional set work will also take place throughout the course as part of the theory written exam.

ASSESSMENT

AS Level

- Component 1: Performance and Choreography. 50% (80marks)
Assessed through a Solo linked to a specific practitioner, a Performance in a Quartet, and a Group choreography.
- Component 2: Critical Engagement. 50% (100marks)
Assessed through a written paper lasting 2hours and 30minutes, based on knowledge, understanding and critical appreciation of two set works.

NEXT STEPS

Combined with other A Levels, this course provides a positive base for many arts based degree programs. It also provides excellent skills for those considering careers in sport or physical education. Previous A Level Dance students have gone on to higher education programs at Winchester, Surrey, Brighton, and DeMontfort Universities, as well as vocational training at notable establishments including Trinity Laban, London Studio Centre, and Bird College of Performing Arts.

CAREER INFORMATION

Careers in dance can include teaching, choreography, performance, dance movement therapy, journalism, events management or arts/dance administration. Due to a range of practical and theoretical skills gained through this course, students would do well in careers where good communication, presentational and organisational skills are necessary. Students who want a career in the management of others will undoubtedly benefit from having taken this course.

ADDITIONAL COSTS

Students are encouraged to attend the theatre trips and workshops organised throughout the year. Links with the University of Surrey allow students to participate in workshops and performances, as well as providing Higher Education possibilities.
