

# Spanish

---

AS LEVEL

A LEVEL

## COURSE CODE

AS Level	7691
A Level	7692

## ENTRY REQUIREMENTS

Band 6 or higher in GCSE Spanish.

If you are a native speaker that hasn't completed the GCSE, you will be accepted on the course providing you can pass a written assessment with a grade B or higher.

## WHAT WILL YOU LEARN?

Students work on a range of contemporary subjects including modern and traditional value, cyberspace, equal rights, modern day idols, Spanish regional identity and cultural heritage.

The A Level will assist you in developing a broad range of valuable skills and qualities, in addition to purely linguistic skills. You will gain appreciation of contemporary society, you will discuss a range of topical issues, you will learn to debate and to improve your ability to present an argument, and you will learn to summarise information you read and hear. Furthermore, you will develop skills to respond imaginatively to spoken and written texts, as well as to weigh up the pros and cons of various issues you study and come to an informed conclusion.

## ASSESSMENT

### AS Level

45% = Paper 1 - Listening, Reading and Writing (90 marks)

25% = Paper 2 - Written exam including a translation into Spanish and an essay on a set film or text (50 marks)

30% = Paper 3 - Speaking exam (60 marks)

### A Level

50% = Paper 1 - Listening, Reading and Writing including translation from Spanish into English (100 marks)

20% = Paper 2 - Two essay either one based on a film or a set text or two essays on a set text. (80 marks)

30% = Paper 3 - Speaking which consists of an individual research project and discussion of a sub-theme with the discussion based on stimulus card (60 marks)

## NEXT STEPS

A Level Spanish students go on to study a wide range of subjects at degree level. Universities and employers welcome students who have studied languages as they tend to have the ability to understand the dynamics of communication, as well having developed skills of self-reliance, flexibility and adaptability.

## CAREER INFORMATION

Students who study the subject have gone on to enjoy careers in business services, education, banking/finance, manufacturing/engineering and construction and international organisations.
