...the weekly round-up and preview for GAS parents and carers

27 May 2022

All,

This half term break is a welcome one – for our young people and staff, it has arrived at a very good time. This week is important for catching up on sleep, seeing friends, watching some good films and for getting some exercise. It is important for our Year 11s and Year 13s to rest as well as to revise; to enjoy some fresh air as well as to focus on that one topic they know can sometimes evade them. Our exam students are participating in a marathon, not a sprint – pacing themselves is all important. I am very proud of the way they have approached their exams, with courage and stoicism and composure. Well done to our Year 10s who have now sat both of their GCSE RE papers – they too, approached this challenge admirably.

Thank you in advance to Mr Hartley and our Senior Choir for performing at The Queen's Platinum Jubilee Beacon Lighting Ceremony at the Cathedral, where they have been selected to represent the young people of Guildford at this prestigious event on 2 June 2022. They are performing a specially composed anthem which will be sung across the country as Beacons are lit in honour of Queen Elizabeth II's exceptional reign.

As we move into the final half term of the school year, there are some important dates ahead. These include:

- Year 10 Parents' Consultation afternoon **Tuesday 7 June**: school closes at 1.30pm
- Year 7 Examination Week (Maths, English, Science) **w/c 13 June**
- Year 12 Parents' Consultation evening **Thursday 16 June**: 4pm – 7pm
- All year groups may wear their House polo shirts from **Monday 20 June**
- **INSET Day – Friday 24 June**
- Year 13 Prizegiving and Prom – **Monday 27 June**
- Year 6 into Year 7 Induction Days – **Tuesday 28 & Wednesday 29 June**
- Year 11 into Year 12 Induction Day – **Thursday 30 June**
- Year 10 Ypres trip – **Friday 1 July**
- Sports Day – **Wednesday 13 July**
- GAbbot Fest – **Thursday 14 July**
- End of Term – **Thursday 21 July, 12pm**

There will be House events for Years 7, 8 and 9; Year 12 Next Steps events; Silver DofE & Gold DofE; Year 11 Thorpe Park reward trip; Year 10 and Year 12 exams. We will keep you updated with reminders and more details as the academic year begins its final 7 weeks.

Until then, thank you to all of our parents and carers for supporting your children and supporting us. A reminder that, if things are getting overwhelming and anxiety is a significant concern over the half term break, there is a source of help that we would recommend in Mindworks Surrey. For more information, please click the following link: <https://www.mindworks-surrey.org/> or access their free crisis helpline, available 24 hours a day, on 0800 915 4644 (option 1).

We look forward to seeing our students back on 6 June. May half term bring all some rest and recuperation.

## Focus on: German competition success!

Every year, the Oxford German Network runs a German themed competition for students nationwide. This year, on the 10th Anniversary of this German Olympiad, the competition was titled Der Rhein. Students could choose from a series of age appropriate tasks linked to this title. Three students from George Abbot entered: Lucy G in Year 9 as well as Dari Vand Ollie N in Year 10, who submitted a joint entry. We are very proud to announce that Dari and Ollie won their category, where they had to produce a video presentation about the historical importance of the Rhine. Here is the video of their winning entry:

Well done to all three students for their efforts!
