

Careers

If you are choosing to go directly into a career then you will need to decide on a few things:

- job sectors that interest you
- qualifications required
- job availability
- location
- distance to work
- mode of transport to work
- cost of transport to work
- working hours - 9-5pm, including weekends, shift work...
- opportunities for progressions

Where to look for jobs

- Job websites; for example, Indeed, Reed, Total Jobs...
- www.jobsgopublic.com for local government vacancies
- <https://jobs.theguardian.com>
- individual companies' websites

Need help and advice?

Please see the Careers Team in USIC should you require further help and advice with apprenticeships or if you feel you would like an appointment to speak to Gaynor Eke, our external careers consultant.
