Information Systems at George Abbot

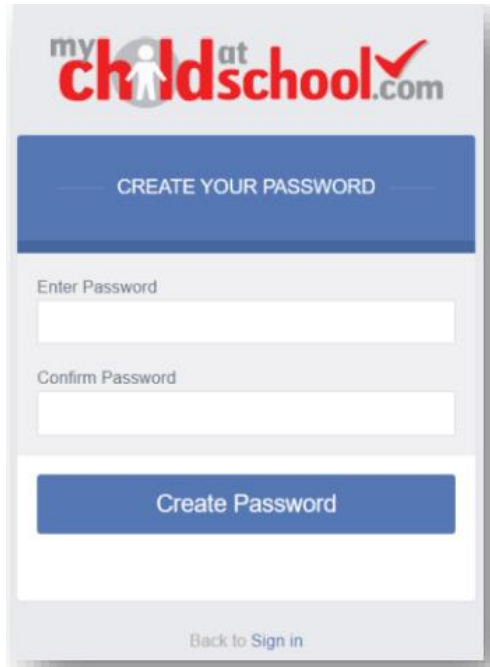

There are a number of drivers behind our decision to change our information systems.

- Working towards a single source of information for parents.
- Reduction in the number of apps / systems parents and students have access.
- Evaluation of cloud based systems showed improved reliability and reduced costs.
- Promote greater engagement for all parties.
- Reduce workload for teachers and administrative colleagues.
- Improved efficiency of workflow.

Work Experience 2025

Monday 3rd – Friday 7th March 2025

- A week 'off timetable' to complete a work experience placement.
- Students are expected to arrange this by contacting companies/organisations themselves but the Careers Team are here to support them however they need.
- Please encourage and support your son/daughter with this – the earlier they start looking, the better!

**Gives insight
into the
workplace**

**Increases
knowledge of
an
industry/field**

**Makes it easier
to find a job
